

Products & Services

Over the past decade we, at United Finance Company SAOG, have strived to remain the first choice and the best finance company in Oman. With dedicated professionals working to understand and cater to customer's long-term needs, we are committed to provide creative, customized and timely solutions.

Our customer base ranges from individuals to small and medium enterprises and corporates, we Constantly innovate and create products to meet requirement of our growing customers.

Our range of financial products for businesses includes: Heavy Equipment Financing, Bill Discounting & Receivable Financing, Commercial Vehicle Financing, Bridge Loans and Composite loans and Banc assurance. In addition to this we accept Corporate Deposits.

For the Individual customer we offer automotive loans for new and used cars.

We also have a unique insurance scheme under which the financed asset can be insured for 6 years. As Oman's leading non-banking corporate financier, we proudly present our product range, however if your requirements are different from our existing products, we are open to customizing a solution for you.
