

Shareholder centre

Welcome to UFC Shareholder Centre.

United finance is committed to delivering higher returns to its stakeholders but how we generate financial results is just as vital as making the figures. We manage our business for growth over reasonable to Long-lasting bases, and we are dedicated to meeting the highest ethical principles in the governance of our company. We will not risk compromising on our Integrity.

United finance strives to fulfil its responsibilities to all stakeholders with particular emphasis on customer satisfaction and employee satisfaction. We endeavour to cultivate appropriate investor relations and establish measures to impart shareholder opinions to our management.
